I understand I am responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page <http://www.dnr.state.wi.us/wetlands/locating.html> or contact a department of natural resources service center. I also understand I am responsible for complying with th UDC laws concerning new construction.
